**A Word About Sunday School:** we are waiting on resuming Sunday school for at least another few weeks. One major challenge at a time!

**A Word About Masks:** we are requiring and highly recommending masks for two simple reasons: first, because they lower the infection rate, and secondly, because they make people more comfortable. If you are not really excited about wearing a mask, think of them as a very simple way to love your neighbor.

### **MY MASK PROTECTS YOU.**

### **YOUR MASK PROTECTS ME.**

Please Remember To Wear YOUR mask Sunday.  
We would love to see a diversity of masks!
